August 2002

To Criminal Justice Agencies in Missouri:

Enclosed is a copy of the 2002 Missouri Charge Code Manual with insert tabs. The insert tabs should be retained for use from year to year. Insert the tabs between the following page numbers of this year's edition: Major Category (pages 3 and 4), Statute Order (pages 74 and 75), Municipal Ordinance Offenses (pages 120 and 121), Revisions (pages 129 and 130).

The Charge Code Manual is published by the Missouri State Highway Patrol and is approved by the Supreme Court of Missouri. It is a standard reference for use in reporting specific criminal charge code information to the Central Repository as required by Missouri State Statute. The Revised Statutes of Missouri, specifically section 43.512, RSMO, states that the Missouri Charge Code Manual "shall be used by all criminal justice agencies for reporting information required by sections 43.500 to 43.530."

Proper use of this manual is essential in establishing and maintaining accurate and complete criminal histories. Pages 2 and 3 of the manual contain the instructions for use. Refer to this section for directions on completing Charge Code information. For specific questions related to the use of this manual, including criminal history reporting procedures and training, direct inquiries to the Criminal Records and Identification Division of the Missouri State Highway Patrol at (573) 526-6345 or at mshpcrid@mshp.state.mo.us.

Please discontinue use of the previously issued manuals and ensure that all staff members within your agency have access to the 2002 edition. You may make additional copies of the manual if needed or contact the Criminal Records and Identification Division to obtain additional copies.

Sincerely,

ROGER D. STOTTEMYRE
Superintendent

Missouri Charge Code Manual Instructions for Use

This manual contains three primary sections with a supplemental section that contains charge codes that were either added or revised from the previous year. The first section is grouped by Major Category and sorted in ascending order by Missouri Charge Code. This section allows the user to locate the proper charge code information by selecting the correct crime category and reading the literal description of the offenses to identify the best charge. After each Major Category group, there is a list of NCIC/State Modifiers specific for that crime. The numeric modifiers are used to complete the Missouri Charge Code for the offense identified.

The second section is sorted in ascending order by Missouri State Statute. This section can best be utilized to locate the correct charge information if the state statute is known. Immediately following this section is a list of all NCIC/State Modifiers used to complete the Missouri Charge Code for the offense identified.

The third section contains the Local Municipal Charge Codes, grouped by Major Category, and sorted in ascending order by state charge codes. These charge codes need to be used when reporting Local Municipal violations to the Central Repository in order for the system to recognize the offense.

The first two sections are organized into columns that include Submit Fingerprints, Penal Range, (Missouri or United States Statutes), Missouri Charge Code, NCIC Code (National Crime Information Center), RSMO UCR Code (Uniform Crime Reporting), and the literal description of the offense. The Submit Fingerprints column identifies the mandatory reportable offenses by "YES". This indicates that fingerprints have to be taken on both state and federal cards for that offense and submitted to the Central Repository to be entered into criminal history. Optional "OPT" identifies the offenses for which fingerprints can be taken and submitted to the Central Repository to be entered into criminal history. "NO" identifies the offenses for which fingerprints should not be taken and should not be submitted to the Central Repository. The information in the following columns: Penal Range, Literal description, Statute, Missouri Charge Code, and NCIC Code need to be entered on the State Criminal Fingerprint Card before being submitted to the Central Repository. Without complete fingerprints and accurate criminal history information, a criminal record cannot be established. The Local Municipal Charge Code section is also organized by columns that include: Submit Fingerprints, Charge Code, NCIC Code, Penal Range, UCR Code and Literal Description.

The Missouri Charge Code is a unique eight digit number used to identify a specific charge. If the Missouri Code identifier associated with the charges selected for submission is not complete, the missing information should be completed by the following process. Select the correct two digit state modifier from the NCIC/ State modifier list for the offense and enter the corresponding digits into the first blank code location. The remaining code location is completed by entering the correct modifier for either not applicable, attempt, accessory, or conspiracy for that offense.

The modifiers are as follows: .0 Not Applicable, .1 Attempt, .2 Accessory, and .3 Conspiracy. These modifiers are listed at the end of each Major Category group.

The following is an example for completing Missouri Charge Code and NCIC code based on a subject that has been arrested for the offense of "possession of cocaine first offense". The charge information for this offense can be located either in Section I under the Major Category Index DANGEROUS DRUGS, page 31, or in Section II by Missouri State Statute number 195.202, RSMO, page 78. The modifiers for Dangerous Drugs are on page 120-121.

.0 Not Applicable .1 Attempt .2 Accessory .3 Conspiracy

For the remaining position enter the code for "Not Applicable" (.0) since the charge was not an attempt, accessory, or conspiracy. Therefore, the complete Missouri charge code for possession of cocaine first offense is **3245032.0**.

To complete the NCIC code 35__ use the same two digit modifier (32) as entered in the Missouri Charge Code. Therefore, the complete NCIC code is 3532.

This manual has been distributed by the Missouri State Highway Patrol. Direct inquiries on the use of this manual may be directed to the Criminal Records and Identification Division, Missouri State Highway Patrol, Post Office Box 568, Jefferson City, Missouri 65102, telephone (573) 526-6345.
