CAREER PATH

Assistant Chief Technician

An employee is accountable for performing all functions associated with communications work in one of the two assigned units below:

Infrastructure Support Unit

An employee in this position is assigned to General Headquarters and domiciled at any of the troop headquarters. An individual in this position is responsible for ensuring the proper installation, repair, functionality and maintenance of the Patrol or Missouri Statewide Interoperability Network (MOSWIN) base stations, master sites, dispatch consoles and mobile radio equipment located in the assigned district. The individual also assists troop Chief Operators with technical problems and planning and implementation of command post communications systems, as needed. The Assistant Chief Technician may also assist in performing duties to support the Chief Technician, to include training, planning and assigning work, performance assessment, coaching, and supervision, as directed. In addition, incumbents will be expected to have the knowledge and skills to perform and review the work overseen. Work is performed independently and this employee is expected to exercise a considerable degree of judgement and discretion in performance of duties. General supervision is received from the immediate supervisor.

User Support Unit

An employee in this position performs skilled work in the installation, removal and testing of mobile communications equipment. An individual in this position performs repair and installation of a variety of mobile and electronic equipment. Work primarily involves the preparation of equipment for installation, assembly of mounting hardware, installing equipment interfaces, and troubleshooting and repair of operational problems that arise. The Assistant Chief Technician may also assist in performing duties to support the Chief Technician, to include training, planning and assigning work, performance assessment, coaching, and supervision, as directed. In addition, incumbents will be expected to have the knowledge and skills to perform and review the work overseen. Work is performed independently and this employee is expected to exercise a considerable degree of judgement and discretion in performance of duties. General supervision is received from the immediate supervisor.

Knowledge, Skills, and Abilities

Considerable knowledge of and the ability to demonstrate understanding and successful interpretation, explanation, and application of all assigned areas of communications, as well as the laws, principles, and practices as they are related to implementation within the agency.

RADIO PERSONNEL JOB FAMILY

CAREER PATH

Considerable knowledge of and the ability to demonstrate understanding of the agency's policies, procedures, rules, and regulations in the performance of duties.

Considerable knowledge of and the ability to demonstrate successful operation and use of designated communications and radio maintenance equipment, parts, tools, supplies, and associated software systems in the performance of duties.

Considerable knowledge of and the ability to demonstrate successful use of computer equipment and associated software/databases in the performance of duties.

Considerable knowledge of and the ability to demonstrate understanding and successful use of the principles and practices of project management techniques in the performance of duties.

Possess and demonstrate successful communication skills in English via all modes of communication.

Possess and demonstrate successful management and prioritization of work within predetermined deadlines and stressful/adverse situations.

Possess and demonstrate the ability to successfully work as a team member and positively interact with a variety of people, as well as work hours as assigned.

Ability to demonstrate successful performance in the engagement, training, mentoring, and supervision of assigned personnel and support staff.

Ability to lift, move, and/or carry 50 pounds.

Ability to work long hours while standing.

Ability to work outdoors and in inclement weather.

Ability to position self and equipment necessary to perform duties.

Ability to read and comprehend written materials, as well as effectively and accurately document information received.

RADIO PERSONNEL JOB FAMILY

CAREER PATH

Ability to demonstrate successful performance in researching, gathering, correlating, and analyzing facts to develop reports, charts, recommendations, and/or solutions in the performance of duties.

Ability to demonstrate successful performance in comprehensive analysis and problem solving, as well as preventative maintenance, of communications and radio equipment.

Ability to demonstrate successful performance in comprehensive analysis and problem solving, as well as in following established protocol for providing court testimony.

Ability to demonstrate successful performance and adherence to the rules of conduct for Patrol employees in accordance with General Order 26-02, as well as all other applicable agency policy and procedures.

Ability to demonstrate successful performance and adherence to policy and procedure in the care and maintenance of restricted and confidential information in the performance of duties.

Ability to work with material that may be of a sexual nature relating to criminal activity (e.g., written material, photographs, and/or verbal language, etc.)

Minimum Requirements
